SwimExpert™

TAILORED SWIM LESSONS FOR CHILDREN, ADULTS & EVERYONE IN BETWEEN

At SwimExpert, we believe it's never too early, or too late to learn to swim. That's why we teach everyone, from complete beginners taking their very first dip to seasoned swimmers looking to refine their technique.

Whether you're a nervous adult, a child gaining confidence, or an athlete training for a triathlon, our tailored approach means your lesson is designed entirely around you.

WHO WE TEACH AT SWIMEXPERT

- Children from 2 years up
- Children with special educational needs
- Beginners and improvers of all ages
- Adults overcoming water anxiety
- Competitive swimmers
- People recovering from injury
- Triathletes

No matter your background or goal, you'll find a welcoming, encouraging environment to help you thrive in the water.

*'I was terrified of going into the pool. Elizabeth made me feel so comfortable and gave me the confidence and I was able to keep coming back.' **

SwimExpert™

PERSONALISED SWIMMING LESSONS FOR CHILDREN AND ADULTS

At SwimExpert, we know that no two swimmers are the same—so we shape every lesson around the individual.

Our lessons are completely personalised to help each swimmer feel safe, supported, and successful in the water.

We also provide in water assistance, when necessary, to help you feel as confident and comfortable as possible.

For children, our sessions focus on fun, confidence-building, and essential water safety, progressing gently through technique as they grow.

For adults, we offer everything from beginner lessons and fear-facing support to stroke correction, endurance building, and fitness-focused training.

*'Bethany from Swim Expert has been amazing with our daughter. She loves going each week. The admin staff at SwimExpert have been brilliant too, fantastic customer service and very helpful.' **

SwimExpert™

SUPERB POOLS

Our pools are warm, private, and distraction-free, creating the perfect environment for focused, confidence-building swim sessions.

Unlike crowded public facilities, our hotel and private school venues are purposefully chosen to enhance the learning experience, offering swimmers of all ages a calm, professional setting where progress comes naturally. It's not just about swimming - it's about swimming smarter, in spaces that support success. **That's the SwimExpert difference.**

TRANSPARENT PRICING

We offer lessons in multiples of 30 minutes. For children we recommend 30 minutes, and for adults generally an hour at a time.

Lessons are purchased in "blocks" which you schedule in at times suitable to you (subject to availability). Blocks only expire after 6 months so you have plenty of time to use them up and by booking larger blocks of lessons you can secure the times you want ongoing and the best possible prices too!

The prices for one-to-one lessons vary according to location so please enquire about prices at your chosen venue. However, as a guide the prices at a typical location per 30 minutes are as follows:

Block of 6	Block of 10	Block of 20
£40.00	£38.00	£36.50

*'Highly recommend Emily who is a swimming teacher in Oxford. Emily has a special approach to her clients depending on their individual needs and goals.' **

HOW TO BOOK

For more information please contact our expert team on 0330 111 29 29 or email us at info@swimexpert.co.uk

SwimExpert™

OVER 30 LOCATIONS

At SwimExpert, we're committed to helping swimmers of all ages and abilities achieve real progress - no matter where they're starting from.

Some of our current locations are shown on the map opposite. Please check with us for the location nearest to you as our network of exclusive, premium venues continues to grow.

All our venues offer the perfect environment to learn, grow and gain confidence in the water. Typically, lessons are available weekday afternoons and evenings and on weekends too, so there should be days and times that suit your schedule.

But with high demand and limited availability, spaces fill fast. If you're ready to take the plunge and start your swimming journey, now is the time.
